# CIPET ADMISSION TEST 2021

A Computer Based Test (CBT) for Admission to Diploma, Post Diploma and Postgraduate Diploma Courses of CIPET for the Academic Year 2021-22.

## About CIPET

Central Institute of Petrochemicals Engineering & Technology (CIPET)-an ISO 9001:2015 QMS, ISO 17025, ISO 17020 accredited premier Institute under the Department of Chemicals & Petrochemicals, Ministry of Chemicals & Fertilizers, Govt. of India was established in 1968 with objective to develop human resources for the benefits of Plastics and allied Industries. Today CIPET has a Pan India presence and operate on hub and spokes model with 35 locations to cater more effectively to the need for skilled manpower of Plastics industries. All these centres are equipped with the state-of-the-art technical infrastructure in the areas of Design, CAD/CAM/CAE, Tooling, Plastics Processing, Testing and Quality Assurance. The course syllabi as well as curricula for Diploma programmes are the same across CIPET Centres, and award of Diploma to students is being carried out centrally by Directorate of Academics, CIPET Head Office, Chennai.

CIPET offers training to the Indian and International students for the growth of Plastics and allied industry in India and abroad. Admissions to all Diploma, Post Diploma and Postgraduate Diploma Courses of CIPET for the Academic Year 2021-22, at its campuses across India for the academic year 2020-21 will be made on the basis of a Computer based Test conducted by CIPET. This test will be referred to as 'CIPET Admission Test - 2021.

## VISION AND MISSION

### Vision

- To become an apex Institute of International repute in the field of Polymer Science & Technology and ensure sustainable growth.

### Mission

- To offer blend of specialized Academic and Skill Development Training Programs in the field of Polymer Science & Technology in order to provide qualified Human Resources with entrepreneurship qualities for Polymer & Allied Industries.
- To provide Technology Support in the form of Consultancy Services in the fields of design, tooling, plastics processing, testing & quality assurance and Inspection Services to the plastics industries through a Quality Management System.
- Dedicated R & D wings on Plastic Materials & Product development will develop New Polymeric Materials and its Applications from Technology Transfer, Intellectual Property (IP) and Knowledge Base.

## COURSE DETAILS

## INSTRUCTIONS FOR FILLING UP THE APPLICATION FORM

### GENERAL INSTRUCTIONS

- The tests will be “Computer Based Test” (CBT). CBT means the candidate sits in front of a computer and the questions are presented on the computer monitor and the candidate answers the questions on the computer through the use of keyboard and mouse. Each computer is connected to a server, which prepares the question set and delivers it to the candidate on the computer.
- The question is generated from a question bank and different candidates will get different question sets. An expert committee will ensure that the question sets are of comparable difficulty level, content, question type etc. In this matter, the decision of the expert committee will be final and binding on the candidate.
- The test assumes that the candidate has basic familiarity with computers, keyboard and mouse operation. It is the responsibility of the candidate to acquire these skills before appearing in the test and the Institute cannot take responsibility for the same.
- The Institute is planning to operate test centers in different cities. The final list of centers and actual days of operation will be announced to candidates through the CIPET admission website <https://eadmission.cipet.gov.in/>. The Institute cannot guarantee that test centers will be setup in all cities. Further, the Institute reserves the right to cancel any test center if no sufficient number of candidates opted for the Centre.
- CIPET Admission Test will be conducted on **last week of July 2021**.
- The final list of the centers with complete contact details will be announced on CIPET admission website <https://eadmission.cipet.gov.in> after all the applications are received.
- The exam will be conducted in 1/2/3/4 slots /session.
- The candidate must fully obey the rules of the test centers; otherwise he / she will be automatically debarred from the test.
- In order to apply for appearing in CIPET Admission Test, candidates have to apply for admission to CIPET as per the 'STEPS TO APPLY ONLINE' discussed afterwards. The completed online application form with the required application fee has to be submitted on CIPET admission website <https://eadmission.cipet.gov.in> on or before **3rd week of July 2021**.

## CIPET AT A GLANCE

## ALUMNI SPEAKS

**Shri. N. Arumugam**  
**CEO, M/s. Karthigeya Moulds & Dies Pvt Ltd**

A CIPET alumni from 1990 batch DPMT. CIPET is instrumental in developing strong technical competency and entrepreneurship in me. After graduation started my own Plastics based industry with annual Turn Over of Rs. 160Cr and employing more than 500 people. "I sincerely acknowledge the CIPET's effort in providing plastics related talent to the industry and thank CIPET for the same."

**Shri. P. MARIMUTHU**  
**MANAGING DIRECTOR., M/s. Saro Group of Companies**

After completion of my course in CIPET Chennai, I started my own company. To-day, my company employees of more than 800 people, having factory in Chennai and Haridwar, supplying to leading companies across the globe. "The experience Faculty and training methodology in CIPET had helped me in starting my own company. I advise younger generation to study at CIPET which will give them a Bright Future".

**Shri. A.N. RAJENDIRAN**  
**MANAGING DIRECTOR., M/s. NUTECH CNC PVT LTD.**

I completed my Post Graduate diploma in Plastic sEngineering (PGD-PE) from CIPET Chennai. Now I am running a Company at Ambattur, Chennai which manufactures Precision plastic Injection Moulds & plastic components.

"What I am now is the seed planted in CIPET through their intense training. All credit goes to CIPET and its team."

**Shri. P.G.Ramanan**  
**Director, M/s. CADDAM Technologies Pvt Ltd.**

My learning at CIPET helped me to get a very clear perspective of the industry standards and expectations and which helped me shape up my career. The friendly environment and tutors are a great asset to the industry and they have supported me in taking my career further. "The only institute of this kind in India where under one roof all facilities like design, tooling, processing and testing of plastics are available! It's a great honour to be part of CIPET Alumni"

**PAVITHRA MG**  
**Hero MotoCorp. (PG:2015-2017 passed out)**

Being a CIPETian is a fun, Passing out Of College and someone comes to know that you are from CIPET, it leaves a major impact as the treatment is not only Of a professional but also someone who has accuracy as well as precision in knowledge. I Always thought that CIPET is known because Of its support to industry, But I got it wrong, In-fact its because Of the CIPETian's, as it is they who run the Industry. I am Glad I could be a CIPETian and a special Thanks to everyone for sharing their knowledge and a giving a road ahead to Ride

**Sanith Jacob**  
**Director Technical, Carris Pipes & Tubes Pvt Ltd**

CIPET largely emphasis hands on experience & has all kinds of infrastructure under one roof; be it testing, Processing or design. Being a part of CIPET Alumni opens up a huge world of opportunities in to the industry.

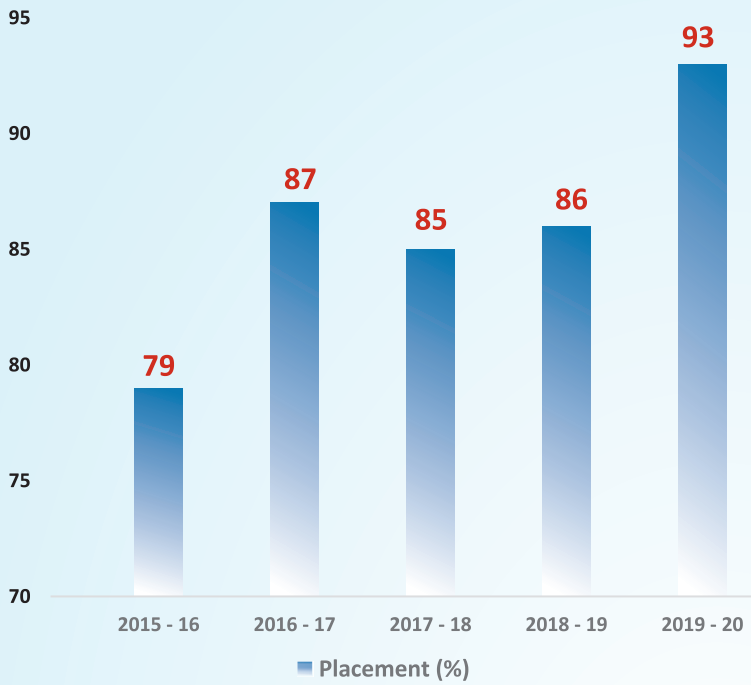

**S. Kavitha**  
**CEO, Lalitha Enterprises**

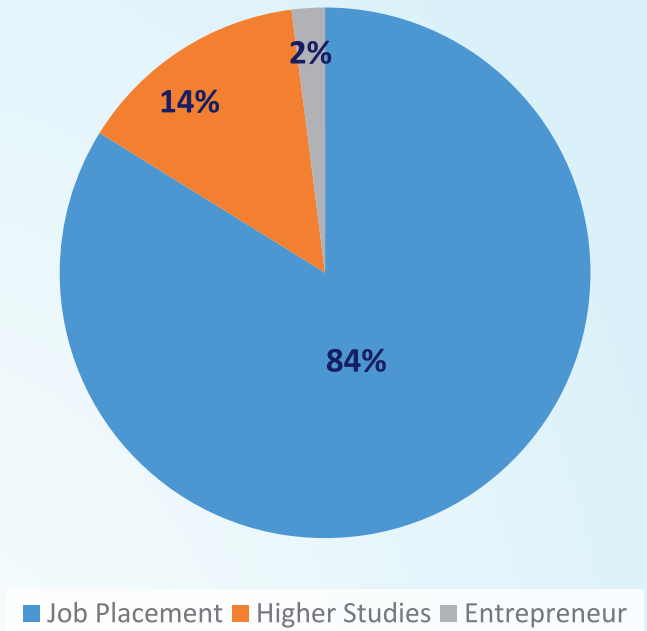

CIPET beyond the word institution it actually denotes the 'UNIQUENESS' it carries. ennumber Of opportunities, infinity Of practical knowledge, excellence Of management and new out coming establishment across the country. CIPET holds a huge reputation in every successful OEM, SUPPLIER OF OEM, MATERIAL DEVELOPEMNT CENTER (3M, DUPONT, PARACOAT). The diversity Of culture enhanced the strength, practical knowledge gained throughout my academic period has enlightened my carrier experience. I am always proud to be a 'CIPETIEAN'
