## VIDYASAGAR UNIVERSITY

Ref. No. VU/VC/URGENT-13/2020

Date: 18.06.2020

Esteemed Colleagues,

The University is at present closed till 30.06.2020 for all routine academic and research purposes and you are strictly discouraged to enter the campus unless it is an extreme emergency. You are requested to kindly apply to the Registrar along with the filled in COVID-19 declaration form available in the website properly justifying the compulsion of your visit and specifying the exact date and time of your visit (Monday, Wednesday, Friday) for a valid gate pass. Please note that your entry into the campus without a valid gate pass will be invariably denied by the security staff until 30.06.2020 or until further orders.

Kindly note that all Universities across the country have been shut down as a strategy to keep away the University community including the majority of teachers, students, researchers and other employees from the campus to combat the pandemic by intercepting social transmission of the virus. This is also for your kind information that teachers having urgent work in the University are being regularly issued gate passes and allowed to visit the campus following all necessary COVID protocol as per ICMR and WHO guidelines. I appeal to you to kindly cooperate with the administration in this difficult time.

Thank you all for your understanding

Stay safe and stay well.

Best regards,

Sincerely,

(Professor Ranjan Chakrabarti)
